Request for broad-banding of LoA by addition of new items of manufacture - LoA No. C-113/ISEZ/Proj./2016-17/1531 dated 02.12.2016 - Request submitted by M/s Alkem Laboratories Ltd. - Amendment / Broad-banding of LoA:-

M/s Alkem Laboratories Ltd. has submitted a proposal for broadbanding of LoA by addition of new items of manufacture in the existing LoA. The unit was granted LoA dated 02.12.2016 for manufacturing of Pharmaceuticals Formulations i.e. Tablets, Capsules, Dry Syrups and Drops. The Company informed that they have successfully commissioned Phase-I of their unit in the SEZ and presently undertaking trial runs at various stages and is hopeful to start the commercial production by March 2019. Subsequently, it has been further informed that the unit has commenced commercial production w.e.f. 24.02.2020.

In the instant request, the unit has proposed for addition of new items of manufacturing in the LoA i.e. Creams, Gels and Ointments having annual capacity of 150 lac Nos. for treatment of various skin conditions like Anti-inflammatory, Anti-bacterial, wounds/burns, rashes, skin infections, fungal infections stings, ulcers, dental conditions and as painkillers. It is informed that the products are normally supplied in the form of a cream or ointment as this provides an effective means of delivering the active ingredient directly to the required area. Products can be either a water in oil (w/o) or oil in water (o/w) emulsion, consisting of waxes, emollients and lubricants dispersed in an oil phase and a water phase containing emulsifying, stabilizing and thickening agents, preservatives and in some cases, colorant. The unit submits that the manufacturing line for the new products viz. ointments, gels and creams will be commissioned in the unoccupied portion of the existing factory space. The unit intends to have an additional CAPEX investment of Rs. 1800.00 lacs for the broad-banded products, wherein the cost of imported machines will be amounting to approx. Rs. 1115.00 lacs. The unit has submitted the following documents/information for its proposed manufacturing activities: (i) Complete list of imported and indigenous plant & machinery and indigenous analytical instruments for quality control; (ii) manufacturing process flow chart of ointments, gels and creams; (iii) details of raw material required; (iv) details of additional employment i.e. of 50-70 persons; (v) additional power requirement estimated to be 150 KVA; and (vi) revised foreign exchange balance sheet with NFE earnings for first five years as Rs. 228150.00 lacs pursuant to addition of the new items of manufacture.

The unit further submits that they have obtained the requisite drug manufacturing license for already approved items and license for the items being proposed now would be obtained before starting trial run. The unit also proposes to obtain GMP license for its facility stating that the Company follows good manufacturing practices at all its manufacturing facilities as a Company policy.

The proposal is therefore placed before the Committee for consideration in terms of provisions of Rule 19(2) of SEZ Rules, 2006.
