ITEM NO - 3

PROPOSAL RELATED TO EXISTING UNIT(S)

PROPOSAL NO. 3(i): M/s Jash Engineering Ltd.

<p><u>I. COMPANY/UNIT PROFILE</u></p>	<p>M/s Jash Engineering Ltd. Address: Plot No. M-19, SEZ Phase II, Pithampur, Distt. Dhar</p> <p>Extension of validity of LoA dated 24.08.2017 for a further period of one year and regularization of Bond-cum-LuT.</p> <p>M/s Jash Engineering Ltd. was issued LoA No. C-118/ISEZ/Proj./2016-17/831 dated 24.08.2017 for manufacturing of Sluice Gates, Screens and Hydro Power Screw Generators & Pumps. As per condition No. (vi), the LoA was valid for a period of one year from its date of issuance and the unit was required to implement the project and commence operations within one year period or within such period as may be extended. The original validity of LoA was therefore up to 23.08.2018 and as per provisions, the unit was either required to commence operations or submit request for extension of validity.</p> <p>In this case, the unit neither commenced operations within the original validity up to 23.08.2018 nor applied for extension of LoA. During the original validity period of one year, the building plans for construction of factory building were also approved and permission accorded vide letter dated 23.05.2018.</p> <p>The unit submitted the request for extension of validity of LoA for a further period of one year and regularization of Bond-cum-LuT stating that pursuant to receipt of LoA dated 24.08.2017, following activities were done viz; registration of lease deed executed with the Developer on 18.01.2018; approval of building plans on 23.05.2018; and started building construction work and completed</p>
<p>(a) Name and address, telephone/fax/email id</p>	
<p>(b) Issue</p>	

in March 2019; and procured some plant & machinery. The unit has been allotted plot No. M-19 in SEZ Phase II.

The unit stated that they inadvertently missed out to apply for extension of validity of LoA which expired on 23.08.2018. Further, the unit started construction of factory building but failed to execute the Bond-cum-LuT for procurement of Building construction material and plant & machinery. The unit procured material worth Rs. 9-10 crores for construction of building and procurement of plant & machinery.

The unit therefore requested to extend the validity of the LoA dated 24.08.2017 for a further period of one year up to 23.08.2019 i.e one year beyond the original validity expired on 23.08.2018 and also regularize the material worth Rs. 9-10 crores procured for construction of factory building and procurement of plant & machinery by executing the Bond-cum Legal Undertaking of appropriate value as per SEZ Rules.

The provisions for extension of validity of LoA are governed by Rule 19(4) of SEZ Rules, 2006, which states inter-alia that:

'the Letter of Approval shall be valid for one year within which period the unit shall commence production or service or trading'; and

the first proviso of the Rule provides that 'upon the request by the entrepreneurs, further extension may be granted by the Development Commissioner for valid reasons to be recorded in writing for a further period not exceeding two years'.

The provisions of execution of Bond-cum-LuT are governed by Rule 22 of SEZ, Rules, 2006, which states inter-alia that:

'The unit shall execute a Bond-cum-LuT with regard to its obligations regarding proper utilisation and accountal of goods, including capital goods, spares, raw materials, components and consumables including fuels, imported or procured duty free and regarding achievement of positive net foreign exchange earning.'

Considering the provisions, the unit neither commenced operations within the original validity up to 23.08.2018 nor applied for extension of the LoA; has not execute the requisite Bond-cum-LuT for import/procurement of material; and instead constructed the factory building on an expired LoA and without execution of Bond-cum-LuT.

In view of the above, the matter was placed before the Approval Committee in its meeting held on 27.03.2019. The minutes of the

	<p>meeting are reiterated below:</p> <p><i>“Noted. The Committee deliberated in detail on the contents of the Agenda. After deliberations, the Committee directed the Specified Officer to assess the quantum of exemptions availed by the unit and intimate the Committee.”</i></p> <p>Subsequently, the unit submitted that that they are in a position to start commercial operations in their new plant at plot No. M-19 in the month of April but are not able to do so because of the following issues pertaining to non-compliance by the unit:</p> <p>(i) LoA Extension : In this context the unit has submitted that after receiving various permissions, the construction activities of the plant started in April, 2018 and were completed in early February, 2019. The final power connection was allotted on 12.03.2019, and the unit is now in the process of commissioning of machinery and other equipments with the aim to start commercial production in April, 2019. The unit submits that the validity of their LoA expired in September 2018, and as they were not aware about the expiry, they did not apply for extension of the same.</p> <p>(ii) Bond-cum-LuT : With regard to non-execution of Bond, the unit has submitted that although they are aware that the bond is required to be submitted before start of plant construction, however, the issue that they have not filed the same came to their notice when they requested for extension of LoA. According to the unit, the investment on plant and machinery is nearly done and a list of materials procured, duly certified by the chartered accountant, along with copy of all the invoices has been submitted to the customs formation in the zone for verification and deciding of the Bond value.</p> <p>The Specified Officer vide letter dated 23.04.2019 referring to the minutes of the Approval Committee meeting dated 27.03.2019, has informed that the assessee vide letter No. JEL/SEZ/19-20/07 dated 22.04.2019 submitted that they have procured material and services valued of Rs. 7,82,21,571/- availing exemption of Rs. 1,26,77,156/- up to 31.03.2019, and the details of the material and services procured have been verified by the chartered accountant of the unit.</p> <p>In view of the above status, the case is therefore placed before the Approval Committee for consideration.</p>
Decision required from UAC	Extension of validity of LoA dated 24.08.2017 for a further period of one year and regularization of Bond-cum-LuT
DECISION OF THE UAC	

PROPOSAL NO. 3(ii): M/s JU Electro Systems Pvt. Ltd.

I. COMPANY/UNIT PROFILE

(a) Name and address, telephone/fax/email id

M/s JU Electro Systems Pvt. Ltd.

Address: Plot No. 22, SEZ Phase II, Pithampur, Distt. Dhar

(b) Issue

Request for removal of balance material on payment of applicable duties for exit:-

M/s JU Electro Systems Pvt. Ltd. was issued LoA dated 05.02.2016 inclusive of Corrigendum dated 09.10.2017 for manufacturing of 'Electrical Laminations, Transformer Core, Electrical Steel Strips, Motor, Stampings and Copper Wounded Core'. The unit was granted in-principle approval for exit from the SEZ scheme by the Approval Committee in its meeting held on 14.11.2017. The approval was subject to the compliance of the conditions stipulated in Rule 74 of SEZ Rules, 2006.

Pursuant to the approval, the unit was required to discharge the duty liabilities in terms of Rule 74. Due to financial exigencies, the unit was not able to clear the entire goods from the SEZ and accordingly was allowed to sequentially clear the goods. The unit accordingly cleared first and second consignment of 206 MT and 200 MT respectively, on payment of applicable duties.

The issue regarding clearance of the remaining 128.146 MT of goods on payment of duty for the purpose of de-bonding of the SEZ unit, as per the unit's undertaking to clear the same on or before 15.05.2018, was discussed in the Approval Committee meeting held on 05.07.2018 wherein it was decided to issue Show cause Notice for non-removal of goods allowing the unit personal hearing, if they so desire, to represent their case. Subsequently, the matter was discussed in the Approval Committee meeting held on 09.08.2018. The Director of the unit appeared before the Committee, and assured to remove the balance material on payment of applicable duties after settlement of the disputed duty amount with the Specified Officer. Accordingly, the Committee decided that in view of the in-principle approval granted to the unit for exit from SEZ scheme, the show cause notice may not be issued and instead the unit may give a timeline up to which they shall remove the goods on payment of applicable duty in consultation with the Specified Officer. The unit representative accordingly assured to settle the disputed duty amount and remove the remaining goods within forty-five days.

The Committee in its meeting held on 11.10.2018 was informed that the Specified Officer has intimated that the forty-five days

time limit is over and the unit has not removed the balance material. After deliberations, the Committee decided to give final opportunity to the unit to clear the balance material on payment of applicable duties within thirty days failing which action will be initiated as per provisions contained in SEZ Rules, 2006.

Further update in the matter was called from the Specified Officer, Indore SEZ who vide letter dated 04.02.2019 informed that despite the opportunity given to the unit, the position is still the same and nothing has been heard from the unit till 04.02.2019. The balance 128.146 MT of laminated CRGO manufactured goods involving duty amount of Rs. 40,57,320.21/- is in stock.

In view of the update of the Specified Officer, the matter was placed before the Approval Committee in its meeting held on 15.02.2019 wherein the Committee decided that the unit may be issued a Show Cause Notice for non-removal of goods by way of paying applicable duty, allowing them a personal hearing, if they so desire to present their case. While the SCN was under preparation, in the meantime the unit informed that they are in receipt of this office letter for attending the UAC meeting on 15.02.2019, however, as the said letter was received on 11.02.2019, they were unable to attend the meeting, and they wish to present their case. The unit therefore requested to intimate the time and date of next UAC in order to present their case to the Committee.

In view of the above, the matter was therefore placed before the Approval Committee in its meeting held on 27.03.2019. The minutes of the meeting are reiterated below:

“Deferred. The Committee deliberated in detail on the contents of the Agenda. The Committee was informed that the unit vide an email dated 25.03.2019 has intimated that due to some unavoidable circumstances, they are not available in town on the date of the meeting of the Committee, and has requested to give one more opportunity to present their case. Accordingly, after deliberations, the Committee decided to give one more opportunity to the unit to present its case.”

Accordingly, the unit has therefore been informed to appear before the Approval Committee in its instant meeting.

The case is placed before the Approval Committee for discussions and suitable decision.

Decision required from UAC

Non-payment of duty for exit from SEZ.

ITEM NO - 4**PROPOSAL RECEIVED FROM DEVELOPER****PROPOSAL NO. 4: MPAKVN (Indore) Ltd. – Developer, Indore SEZ****I. DEVELOPER PROFILE**

(a) Name and address, telephone/fax/email id

MPAKVN (Indore) Ltd. – Developer, Indore SEZ
Address: Free Press Complex, A.B. Road, Indore

(b) Issue

Requisition for activity approval for Sub-station Electrical Renovation Work (SEZ-I and SEZ-II, 33 KV Sub-stations), at SEZ Pithampur, Distt. Dhar (M.P.) and availing various exemptions thereof in terms of Rule 10, 12 & 22 of SEZ Rules 2006:-

MPAKVN (Indore) Ltd., Developer of Indore SEZ has submitted the captioned request for approval of the activity for Sub-station Electrical Renovation Work (SEZ-I and SEZ-II, 33 KV Sub-stations) in the Zone with an estimated cost of Rs. 30.70 lacs by the Approval Committee in terms of Rule 10, 12 & 22 of SEZ Rules 2006. The Developer has filed the request in the prescribed form C-7 on the sezone system and also submitted copy of the said form along with three copies of the estimate and activity details duly certified by an independent Chartered Engineer and the Executive Engineer, MPAKVN, as per the requirements of Rule 12 of SEZ Rules, 2006.

The Developer has stated that the afore-said work is required to be executed for providing uninterrupted power supply in the SEZ.

Rule 9 of SEZ Rules, 2006 mentions regarding grant of approval for authorized operations and the Deptt. of Commerce in Instruction No. 50 dated 15.03.2010 has circulated a consolidated list of default authorized operations which can be undertaken by the Developer/Co-Developer by default from the date of Notification, wherein at S.No. A(4) of the instruction inter-alia the default authorized operation of 'Electrical distribution network including necessary sub-stations of appropriate capacity, pipeline network etc.' has been listed, and therefore the activity proposed by the Developer falls within the aforementioned S.No. of the list of permitted default authorized operations.

	<p>In terms of Rule 10 of SEZ Rules 2006 read with Rule 9 and Instruction No. 50, the Approval Committee may permit goods to carry on the authorized operations and in terms of Rule 12 read with Rule 27, the Developer can make application to the Development Commissioner along with list of goods and services including machinery, equipments and construction material required for the authorized operation duly certified by a Chartered Engineer for approval by the Approval Committee and the instant list for the above mentioned activities submitted by the Developer is duly certified by the Superintending Engineer of MPAKVN (Indore) Ltd. and by an independent Chartered Engineer.</p> <p>The proposal of the Developer is therefore placed before the Committee for consideration under Rule 12 & 27 and Rule 10 read with Rule 9 of SEZ Rules, 2006 and Instruction No. 50 of Deptt. of Commerce.</p>
